**Project No. 16-513-04-02, Part 01**

Dear Representative Fannin:

The funding for this project consists of Rockefeller Wildlife Refuge & Game Preserve Fund through Act 2 of 2004 totaling \$2,100,000.

According to the current estimates, which are based on similar projects that have bid at other locations on the site, the original funding of \$2,100,000 will not be sufficient to cover the full scope of the original project. In order to bid the project, an additional \$4,000,000 is needed. The Department of Wildlife and Fisheries has the available funds from the Rockefeller Wildlife Refuge & Game Preserve Fund.

Facility Planning and Control is requesting authorization to accept additional Rockefeller Wildlife Refuge & Game Preserve Funds in the amount of \$4,000,000 from the Department of Wildlife and Fisheries in order to bid this project and perform the required work.

Please place this item on the agenda for the next meeting of the committee.

Sincerely,
